Mayor's Message

Dear Redmond Neighbors:

Can you feel it? Have you seen it? Crocuses are blooming, the days are getting longer, and people are packing away their Gore-Tex. A great way to welcome spring's arrival is to browse through our Recreation Guide for Spring AND Summer. This year's Guide is packed with activities, programs, and events for everyone.

Here are a few highlights:

- Announcing the opening of Perrigo Park! This beautiful facility will offer sports fields, tennis courts, and a new picnic shelter. We've included more information about the park and a map on the inside back cover of this Guide. Also, look for announcements in summer's Focus on Redmond magazine and on the web for the Grand Opening Celebration in July.

- One of the best things about summer is the outdoor festivals, and Redmond's festival - the 64th annual Derby Days - is scheduled for July 10. Join us for the carnival, action-packed bike race, parades, music, and beer garden. This year, craft vendors will be selling their handmade wares at the Community Celebration.

I try to take a break and go for a walk on one of our city's beautiful trails nearly every day. I look forward to seeing you and your family out there, at Derby Days, or in one of our recreational programs this spring and summer!

Rosemarie Ives

Rosemarie M. Ives, Mayor

Farrel-McWhirter Park Pony Club

Too old for pony class? Too young to get a horsey job; but looking for something in-between? The Pony Club at Farrel-McWhirter Park is a more than suitable solution. The Pony Club will be celebrating eleven successful years with 30+ active members. These helpful volunteers assist pony instructors in teaching programs, leading ponies, and working with young equestrians who participate in the Farrel-McWhirter Park Pony Program. If active, volunteers have the opportunity to visit places such as Emerald Downs, breeding farms, go to rodeos, on camp outs, ice skating, etc. The off-site events are decided upon at monthly meetings run by Pony Club officers and members, with assistance from program leaders.

Get hands-on experience with ponies and farm animals, work with other adults and children, as well as earn riding lessons, and trainings. The age of applicants is 12 years old and up, with or without previous experience with horses. Applicants 10+ years with horse knowledge will be considered. The Pony Club dues of \$15 covers T-shirts and events. Scholarships are available. Call the Recreation Office at 425-556-2300 x3 for an information packet and application.

Summer Day Camps for Youth With Diabetes

Activities include but are not limited to feeding farm animals, nature projects, hayrides, learning how to manage diabetes in conjunction with recreation, how to build a healthy lifestyle, and making friends with other campers that understand the challenges of being diabetic. This is not a camp managed by medical experts, but rather persons that understand what it is like to grow up with Type I Diabetes. Iyengar Yoga is a precise progressive study method of Hatha Yoga that is meant for people of all ages, both genders, and varying degrees of physical health. The use of props, belts, blocks, and ropes are used to help the practitioner learn to perform the posture with precision they may not have been able to achieve without the props. REFUNDS:

To qualify for a refund, the participant must notify the Recreation Office at 425-556-2300 within the following timelines:

- For Farrel-McWhirter Preschool Refund Policy, see Preschool Parent Guide, available at the Recreation office.
- For all other classes, withdrawals requested 7 days or more from the first day of class would receive a full refund, less a \$5 administrative fee.
- Withdrawals made between 7 days, up to the second class meeting will receive a 50% refund. Exception: one day classes will not be refunded after the class meets.
- No refunds processed after the second class meeting. By withdrawing from a class several days prior to its start date, you help us provide better customer service. We are better able to either fill your spot or notify other registrants in a timely manner that the class is canceled due to low enrollment.
- No refunds for events requiring tickets. Events that follow the no refund/transfer rule will state so in their advertisement.
- Transfers will be granted within the above guidelines; however, transfer fees may be assessed.
- If the Parks and Recreation Department cancels a program, a full refund will be issued.

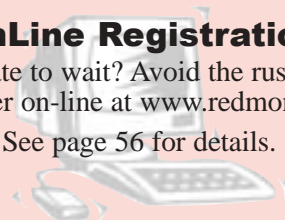

Resident Registration Priority

The City of Redmond has established a policy giving registration priority to residents living or working within the Redmond city limits. The city limits weave along NE 116 St. on the north and approximately 186 Ave NE on the East. The western boundary weaves along 132 Ave NE until Bridle Crest Trail (NE 60th) then goes east to 148 Ave NE. The southern boundary varies. All 98053 zip codes are outside the city limits, as well as some 98052 zip codes.

See page 40 for registration instructions and timelines.

New Parks and Facilities

Watch for new summer openings—

In addition to the opening of Perrigo Community Park, the Parks Department will be celebrating the opening and dedication of many other facilities:

- Grass Lawn Community Park Renovation: New soccer fields, ball fields, lighting, dugouts, and tennis courts. Dedication scheduled for May.
- The Firefighter's Plaza: A new plaza outside Fire Station 11 on the corner of NE 85th St and 161st will be dedicated in April. A new art sculpture will be unveiled, dedicated to the many firefighters who protect and serve our community.
- The park at the old Coast Guard site: A new neighborhood park is open with children's play area, sport courts and new gazebo (Spring 2004). This park will be renamed and dedicated the end of June.
- New feature at Juel Park: Disc golf is coming. As part of the interim use plan for Juel Park, the Parks Department has installed a new nine-hole Disc Golf course. Come out and visit to see what it is all about. If you would like more information about Disc Golf, visit <http://www.discgolfassoc.com/>.
- And as many of you have noticed, a new parking lot and landscaping has been completed at the Old Redmond Schoolhouse Community Center. This renovation provides convenient and ample parking for the site as well as upgraded landscaping and street enhancements along NE 80th.

Watch for announcements in the local paper to attend these dedications and enjoy your new park amenities.

Update-Idylwood Beach Park Opportunity Study: The Park Board has reviewed three alternative options for the renovation and redevelopment of Idylwood Beach Park. Based on public input at three Park Board meetings and written comments, the final draft plan will be completed and presented for final review to the City Council.
